Dear Mr. Emmer:

Enclosed please find five (5) USB drives comprising Revision 44, to Falkirk's Mining Permit NAFK-8405 as requested per email on November 19, 2024. This revision was submitted to your agency on July 2, 2024 and scheduled for approval on December 18, 2024.

Revision 44 to NAFK-8405 updates mining plans for the N ½ of Section 1 and the SW ¼ of Section 3, T146N, R82W. As a result of this permit revision, Falkirk updated the introductory, legal, financial, compliance, surface and coal ownership information, surface water management, operation plans, transportation facilities and reclamation plans and schedules. The stand-alone Reclamation Bond/Cost section has also been updated with this revision.
