Please see information regarding a consumer complaint received at the Commission. Any information about this incident would be appreciated (please see attachments).

Subject:

MDU - Trespassing/Utility Markings

Comment:

Please see the attachments. Mr. Kuntz sent the Commission two One-Call Complaint forms (they appear to be the same information). The complaints were forwarded to be processed as an informal complaint, as they don't appear to be formal One-Call complaints. Mr. Kuntz is upset that MDU was on his property spray painting and posting signs...assuming utilities were being marked? Can someone from MDU look into this and let me know if they were marking utilities at this address and why? Complaint forms say it was on June 17, 2024. He also mentions an incident in 2021 where his garden was dug up.

Thanks,
