**Comments:**  
 We have not given the REC a heads up on this project, and do not know if they intend to protest or not. They are significantly farther away with their facilities to service single phase power to customer.  
 MDU will be required to install ~0' of UG 1 phase primary, 5' electric service only (Estimated Customer Contribution = \$0)  
 KEM would be required to install ~7,300' of 1 phase primary

Single phase service will be located 5' from existing MDU secondaries

50' to City of Dawson

7,300' to nearest KEM 1PH
