Re: PU-24-344 – Paul Soderholm 3 Phase Bin Site – Eddy County

Dear Mr. Kahl,

Northern Plains Electric Cooperative will not object to Otter Tail Power Company providing 3-phase electric service to Paul Soderholm's bin site as identified in PU-24-344. Provided the extension of electrical service and site location is as identified in Otter Tail's Application for a Temporary Authority Permit dated September 24th, 2024. Approval is specific to the 3-phase 277/480V service only.

Northern Plains Electric Cooperative reserves the right to object to any extension beyond the specific site and service requested.

Sincerely,

Seth Syverson
General Manager
Northern Plains Electric Cooperative
