Dear Adam,

We have reviewed your submission for SHSND Ref.: 24-9003 on behalf of Flickertail Solar, LLC. From your submission, it is our understanding that the project consists of the installation of solar panels that can tilt up to 17 feet in height, energy storage, energy transmission, and associated infrastructure on approximately 3500 acres in Abercrombie Township. We have determined this project will result in "No Adverse Effect" to the significant properties within the Area of Potential Effect provided it takes place in the location and manner described in the documentation.

Thank you for the opportunity to review this project under North Dakota cultural resources consultation. This letter does not serve as federal agency consultation or SHPO consultation for compliance with Section 106 of the National Historic Preservation Act of 1966, as amended, (36 CFR Part 800), or the National Environmental Policy Act, as amended, (42 U.S.C. §§ 4321- 4347).

If you have any questions, please contact Lorna Meidinger, Lead Historic Preservation Specialist at lbmeidinger@nd.gov or (701) 328-2089.

Sincerely,

for William D. Peterson, PhD
