Case No. PU-24-351

Motion to Consider Post-Hearing Filing

Pursuant to N.D.C.C. § 28-32-25, Flickertail Solar Project, LLC (“Flickertail”) hereby moves that the North Dakota Public Service Commission (“Commission”) consider an additional post-hearing filing in the above-referenced matter. Specifically, Flickertail requests that the Commission consider proposed Late-Filed Hearing Exhibit No. 13.

One parcel enrolled in the Private Land Open to Sportsmen (“PLOTS”) program administered by the North Dakota Game and Fish Department (“NDGF”) is present within the Project Area. Flickertail is in the process of finalizing an arrangement with NDGF to remove the parcel from PLOTS and replace it with parcels in the northeast portion of the original Project Area. To accommodate this arrangement, Flickertail has updated the Project Area to remove the proposed PLOTS parcels from the Project boundary. Proposed Late-Filed Hearing Exhibit No. 13 provides an update regarding the current Project Area, a figure depicting the changes to the Project Area boundary, and an updated figure showing the current Project Area and layout (no changes to the layout have been made since the hearing).

The information in this filing is relevant and competent, as it provides an update to information presented at the public hearing.

For the reasons set forth above, Flickertail respectfully requests that its motion be granted and that the Commission consider proposed Late-Filed Hearing Exhibit No. 13.

Dated this 5th day of June, 2025.
