Meeting Minutes:

The meeting started at 10:03 a.m. with participants attending remotely. After introductions, Mr. Schock reviewed the NDPSC Order for Case PU-23-351, and the Otter Tail Power certification relating to order provisions as well as the tree and shrub mitigation requirements and discussion on topsoil piling separate from subsoil expectations. There were no questions regarding the order. Otter Tail Power stated they would make sure the schedule worked for the third-party inspector (Stantec). The meeting concluded at approximately 10:58 a.m.

Notice of Intent to Start Construction: This document also serves as Otter Tail Powers Notice of Intent to Start Construction for the Abercrombie Solar project on May 1, 2026.
