RE: 2025 Lehigh Road Phase X and Scranton Phase IV AML Project Bid Response Form Mistake Notice

Dear Mr. Meuchel:

Thank you for your bid regarding the referenced project. Upon reviewing your submitted Bid Response, a potential mistake was noticed for Item No. 1 – Mobilization. The item has the same unit price and total price. This item has a quantity of “2”, since the project requires mobilization to two sites approximately 60 miles apart. Additionally, Item No. 4 – Grout Injection contains a unit price that does not equate to the total price listed. It appears that the unit price of \$26.00 was a typographical error and the intent was to list \$261.00

According to NDAC 4-12-10-05(2), the bid proposal must be corrected to the intended correct bid. The North Dakota Public Service Commission is requesting that this error be corrected. Please submit a revised version of the Section 5 – Bid Response Form by April 14, 2025. If you do not meet this deadline, the State will reject your bid or proposal as being nonresponsive to the requirements of the solicitation. The correction cannot alter your total submitted price, it can only correct the error.
