## Project

2025 Lehigh Road Phase X &  
Scranton Phase IV Material Testing  
Bid #408.25.03.002  
Stark & Bowman Counties, ND  
Project Number: M4251009

## General Information

Brett w/ PSC requested Terracon to conduct closeout survey at the above-mentioned project. Observed work was performed by PSC.

The construction documents referenced for this inspection include: 2025 Lehigh Road phase X and Scranton Phase IV Material Testing AML project.

## Summary of Services

Terracon representatives conducted close-out structural surveys on 3 structures in Scranton.

## Summary of Testing

Crack monitors were installed on the 3 structures. Exterior observations were completed with limited access to exposed foundation walls. Interior observations were not possible as the buildings were not accessible.

As shown in the attached photos, all crack monitors installed exhibited no detectable movement or cracking.

## Compliance Statement

Based on our observations, construction activities at the above-mentioned locations appeared to be completed in general accordance with the project plans and specifications and no movement was detected.
