Re: *In the Matter of the Application of Minnesota Power for a Certificate of Corridor Compatibility and Route Permit for a High Voltage Transmission Line for the HVDC Modernization Project in Center, ND.*
Case No. PU-24-381

Dear Mr. Johnson:

In compliance with Provision 10 of the Certification Relating to Order Provisions attached and incorporated into the Order issued by the North Dakota Public Service Commission on June 4, 2025, to Minnesota Power (MP) for the above captioned transmission facility, MP is providing a monthly update on construction activities for the month of May 2026.

Please feel free to contact me at 218-355-3515 if you have any questions regarding this filing. Thank you for your consideration of this matter.

Sincerely,

Daniel McCourtney
Manager-
Strategic Environmental Initiatives
ALLETE/Minnesota Power

Attach.
