Project Information

There is a limit of 50 characters for the construction project name. Abbreviations can help shorten, if needed.

Name of Construction Project
Nelson Lake SHN Project

Brief Description of Construction Activity
Project will consist of the reroute of the existing GRE 230-kV transmission line through the proposed Nelson Lake Substation. The reroute will require parallel single-circuit lines for approximately 0.3 mile and a double-circuit line for approximately 0.6 mile. Additionally, the construction of a 5-acre laydown yard is proposed to support the Project.

Project Start Date
09/01/2026

Estimated Completion Date
11/30/2026

Estimated Total Acres of Site
11.68

Estimated Acres of Disturbance
11.68

Is this part of a larger project?
No

Large or Small Construction Project Calculation
Large Construction
