Re: Notification Regarding the Voluntary Surrender and Cancellation of Consolidated Communications Operator Services, Inc.'s Certificate of Registration

Dear Secretary Kahl:

By this letter, Consolidated Communications Operator Services, Inc. (the "Company") notifies the North Dakota Public Service Commission (the "Commission") that the Company hereby voluntarily surrenders its Certificate of Registration to provide operator services in the State of North Dakota.

The Company is authorized by the Commission to provide operator services under Certificate of Registration No. 961 granted in Case No. PU-04-101 on March 17, 2004. As the Company no longer operates in North Dakota; nor offers any telecommunications services in North Dakota, and has withdrawn its registration to do business in North Dakota with the Secretary of State, the Company no longer requires its Certificate of Registration. To the extent that the Company has any tariffs on file with the Commission, those tariffs should likewise be cancelled and withdrawn.

We would appreciate acknowledgment of receipt and acceptance of this filing. Should you have any questions concerning this submission, please do not hesitate to contact the undersigned.

Respectfully submitted,

/s/ Joshua M. Bobeck _____
