Otter Tail Power has taken reasonable efforts to maintain the secrecy of the information marked as PROTECTED DATA, which derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use (the "Protected Data").

In accordance with N.D. Admin. Code § 69-02-09-02, one copy of the trade secret material is provided in the enclosed sealed envelope labeled PROTECTED INFORMATION – PRIVATE.

In addition, the Company requests that the trade secret protective order be broad enough to cover all additional information exchanged in the course of this proceeding and qualifying for trade secret protection.
