**Re: Application to Implement a Gas Cost Tracking Adjustment
Change 2024.09.092 – March 2025**

Dear Mr. Rosquist:

Montana-Dakota Utilities Co. (Montana-Dakota) electronically files this letter to advise you that it will not seek a gas cost tracking adjustment change for the month of March 2025. The Gas Cost Tracking Adjustment tariff (Rate 88), Section 2(b) provides that "Montana-Dakota shall file an adjustment to reflect changes in its average cost of gas supply only when the amount of change in such adjustment is at least 25 (twenty-five) cents per dk." The gas cost tracking adjustment for the month of March 2025 results in a change of less than 25 cents per dk, and therefore, in accordance with the authorized tariff, Montana-Dakota will not seek a gas cost tracking change for the month of March.

Montana-Dakota respectfully requests this electronic filing be accepted as being in full compliance with the filing requirements of this Commission.

Sincerely,

/s/ Travis R. Jacobson
