RE: Revision 37 to Permit NAFK-9503

Dear Mr. Emmer:

Enclosed please find two (2) USB drives comprising the final clean copy of Revision 37 to Falkirk's Mining Permit NAFK-9503 as requested in your letter dated March 18, 2025. This revision was submitted to the Public Service Commission on January 8, 2025 and is scheduled to be approved on April 10, 2025.

Revision 37 to NAFK-9503 request 17.6 acres be removed from the SW ¼ of Section 7, T145N, R83W, 212.2 acres be removed from the N ½ of Section 13, T145N, R83W and 269.5 acres be removed from the NW ¼, NE ¼, and SW ¼ of Section 18, T145N, R82W. All areas removed in Revision 37 consist of acres undisturbed by surface coal mining and reclamation activities. Also, this revision adds detailed plans for sedimentation ponds P-R03-01, P-R03-02 and P-R03-03. Updated information includes introductory information, legal information, operation plan and surface water management. Any remaining sections and maps related to the deletion of undisturbed acres will be updated in a future permit revision. Falkirk is not requesting to reduce the current bond amount.

If you have any questions, please call me at 250-2603.

Sincerely,

THE FALKIRK MINING COMPANY
