**RE: In the Matter of Small Power Production and Cogeneration Rates for  
Otter Tail Power Company  
Case No. PU-25-63  
Amended Compliance Filing**

Dear Mr. Kahl:

Otter Tail Power Company (Otter Tail Power or Company) submits this amended compliance filing to the North Dakota Public Service Commission (Commission) in the above-described matter.

Attached you will find a corrected legislative version of Otter Tail Power's Section 14.00, Voluntary Riders – Availability Matrix Electric Rate Schedule. Page 1 of this rate schedule was pending in our Rate Case, Case No. PU-23-342, at the time of the initial filing in this matter. Our Rate Case was finalized in March of 2025 and the Rate Schedule updates became effective March 15, 2025.

In the Compliance filing that was submitted earlier this week, April 15, 2025, I inadvertently submitted page 1 of the Section 14.00 Rate Schedule as the fifth revision not taking into consideration the Rate Case updates. The corrected page 1 (sixth revision) included with this amended compliance filing incorporates the updates approved in our Rate Case and the Commission approved revisions in the above-described matter.

Copies of this filing will be mailed via USPS and an electronic copy of this filing is being sent to [ndpsc@nd.gov](mailto:ndpsc@nd.gov)
