<sup>1</sup> AT&T Mobility filed its FCC Form 555 online with the Universal Service Administrative Company (USAC). Once a carrier enters its six-digit code (SAC) into USAC's online FCC Form 555, the online tool automatically populates a name associated with that SAC. In some cases, this automatically-generated name differs from (e.g., is an abbreviated version of) the legal entity name for AT&T Mobility's eligible telecommunications carrier affiliate.
