Jonathan

Please let me know if this is adequate backup information for you. BNCR9401 publication should have started yesterday as I had indicated on the phone. We don't have the affidavits yet so this is the documentation I can show from correspondence with the papers. Please let me know if there is something else we are supposed to be supplying.

Greg

Column forwarded the attached notice to us to publish at the newspaper as they are unable to get this in their system. They did not forward any other information. Can I please have you email me what company this needs to be published under, the dates you would like it published etc?

Thank you
