Dear Sir or Madam,

We received a report regarding the cultural resources within the area of potential effect for the Hiland Express Spine Project, PU-25-84. We reviewed the report and requested more information on June 10, 2025. We have recently received the requested information but will not have sufficient time to review the new report before the scheduled hearing. We recommend no decision be made until we are able to evaluate the effects on cultural resources.

Please include the SHSND Reference number listed above in further correspondence for this specific project. If you have any questions please contact Lorna Meidinger, Lead Historic Preservation Specialist at (701) 328-2089 or [lbmeidinger@nd.gov](mailto:lbmeidinger@nd.gov).

Sincerely,

for William D. Peterson, PhD
