Hiland Crude, LLC
Gullickson Reroute Pipeline Project
Hiland Express Spine Pipeline Project**

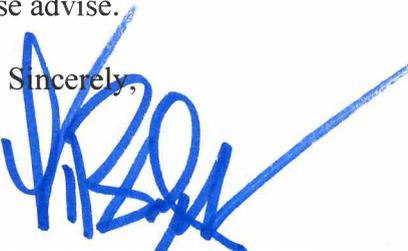

Dear Mr. Kahl:

On March 3, 2025, Hiland Crude, LLC (“Hiland”) filed Consolidated Applications for a Certificate of Corridor Compatibility and Route Permit in the above-referenced cases (“Consolidated Applications”). As set forth in the Consolidated Applications, Hiland has requested that the North Dakota Public Service Commission (“Commission”) approve a three-hundred-foot (300') wide corridor for each of the above-referenced projects (“Projects”).

Please be advised that Hiland does not object to a two-hundred-foot (200') wide corridor for each of the Projects should the Commission be inclined to approve such width.

This letter has been electronically filed with the Commission by e-mailing a copy of the same to ndpsc@nd.gov.

Should you have any questions, please advise.

Sincerely,

LAWRENCE BENDER
