Description of the alleged violation/concern. If more space is required, attach additional page(s). KM rep met with the contractor on site to observe work for ticket 25009532. They discussed poles to be placed outside of the scope of this ticket. KM rep made the contractor aware they did not have an active One Call for that area. The contractor called in ticket 25010478 while on site. KM rep left to hook up to locate the new ticket and the contractor had already augered in new poles along the scope of work for the new ticket prior to the ticket start date and time. As of this writing no member companies have responded to this ticket.
