Dear Mr. Kahl:

Otter Tail Power Company (Otter Tail Power) hereby submits to the North Dakota Public Service Commission (Commission) its Comments in the above-referenced matter.

On July 2, 2025, the Commission issued an order requesting North Dakota Electric Public Utilities to file initial comments addressing any business arrangements with HomeServe or other similar organizations. Specifically, the Commission requested utilities to respond to the following questions:

- a. An explanation of the full extent of the business arrangement with HomeServe or other organizations of a similar nature;

- c. Any other information that the Commission should consider.

Otter Tail Power does not currently partner with HomeServe or any other similar home services provider in North Dakota.
