

FALKIRK MINE

March 04, 2025

To the Reviewing Agency:

I have reviewed and hereby certify the information and design drawings for primary roads that are contained within the transportation operations plan for the Falkirk Mine, which were prepared by myself, or under my direction, for the purpose of filing Revision 42 to the West Permit (NAFK-8705). I further certify that the primary road plans meet the requirements of Article 69-05.2 of the North Dakota Administrative Code and were developed using current and prudent engineering practices and procedures and the applicable design requirements established by the North Dakota Public Service Commission.

Sincerely,

THE FALKIRK MINING COMPANY
