RE: NEW RESOURCES INCLUDED IN THE 2024 FUEL COST RIDER
CASE NOS. PU-12-813, PU-25-_____

Dear Mr. Kahl:

In accordance with Section I.B.1 of the Comprehensive Settlement Agreement in Case No. PU-12-813, Northern States Power Company, doing business as Xcel Energy (Company), with operations in North Dakota, is required to provide an annual notification of any new Power Purchase Agreements (PPAs) less than 50 MW in size that have been included in the Company's Fuel Cost Rider (FCR) calculation.

The Settlement directs us to include a description of the project, justification for the contract, expected annual costs over the life of the contract, and the initial estimated monthly bill impact to residential customers.

This filing is to confirm the Company has not entered into any such PPAs in 2024.

An electronic copy of this filing is also being sent to you for your convenience.

Please contact me at alex.j.nisbet@xcelenergy.com if you have any questions regarding this filing.

Sincerely,

/s/

ALEX NISBET
REGULATORY POLICY SPECIALIST
