Dear PSC Staff,

Pursuant to North Dakota Administrative Code § 69-02-02-09, the Sauer family hereby files this Notice of Withdrawal of our protest regarding Falkirk Mining Company's Revision 39. We further request the cancellation of the Informal Conference previously scheduled for February 11, 2026.

The Sauer family and The Falkirk Mining Company have reached a preliminary agreement in principle to a land exchange. As this strategy addresses our core concerns regarding the long-term surface occupation and the potential for diminished land value, we no longer require a formal conference as we proceed with negotiations.

Sincerely,

Jason Sauer

(on behalf of the Sauer Family)
