

Operation Round Up

An opportunity to make a difference in your communities

The KEM Electric Board of Directors approved "Operation Round Up" for its members at the January 2002 board meeting. Each board member has appointed a person from their district to serve on the Operation Round Up board. The new board established the bylaws and guidelines for the distribution of funds received from "Operation Round Up".

The KEM Electric Cooperative Operation Round Up trust officers are as follows:

**Chairperson: Mike Knoll, Hague; Vice Chairperson: Susan Meidinger, Zeeland;
Secretary/Treasurer: Susan Wald, Napoleon, Derry Pool, Pollock; Tami Naaden,
Braddock; Sherry Fettig, Wishek; Charley Cichy, Dawson.**

The Operation Round Up program is completely voluntary. **All new KEM Electric members are enrolled in Operation Round Up.** Your power bill will be automatically rounded up to the next nearest dollar each month and the money placed in a fund. It's a simple way for pennies to add up to significant dollars to be used for charitable giving. For example, if your power bill is \$74.62, it will be rounded up to \$75.00. You would donate \$0.38 to the KEM Electric Operation Round Up fund that month. Monthly Round Up amounts could be as little as \$0.01 but not more than \$0.99. On average the program would cost you about \$6.00 per year.

If you do not want to participate in Operation Roundup, please clip and return the form below with your bill payment.

Together, by giving a few cents a month, KEM Electric members can make a positive impact on the quality of life in our area. The Operation Round Up Board, the KEM Electric Board of Directors, and KEM Electric staff hope that you will choose to contribute, leaving a lasting legacy of giving and growing our communities.

Tear off and return with your power bill if you **do not** want to participate in Operation Round Up.

OPERATION ROUND UP

I **do not** want to support Operation Round Up, through the KEM Electric Operation Round Up Fund, at this time.
