Re: PU-25-263 DSA Capture Company, LLC – Spiritwood Energy Park

Dear Mr. Kahl,

Northern Plains Electric Cooperative will not object to Otter Tail Power Company providing 3-phase electric service to the carbon capture facility for DSA Capture Company, LLC as described in PU-25-263. Provided the extension of electrical service and site location is as identified in Otter Tail's Application for a Temporary Authority Permit dated October 2nd, 2025, and is specific to the carbon capture facility.

Northern Plains Electric Cooperative reserves the right to object to any extension beyond the specific site and service requested.

Sincerely,

Seth Syverson
General Manager
Northern Plains Electric Cooperative
