

STATE OF NORTH DAKOTA
PUBLIC SERVICE COMMISSION

**In the Matter of the Joint Application of
Badger Wind, LLC and Montana-Dakota
Utilities Co. for Partial Transfer of
Certificate of Site Compatibility**

Case No. PU-25-__

AFFIDAVIT OF TREVOR SHOLLY

STATE OF TEXAS)
) ss.
COUNTY OF TRAVIS)

I, Trevor Sholly, under oath, state:

1. I am an authorized officer and Senior Vice President of Ørsted Onshore North America, LLC (the “Company”), which Company is the direct parent of Badger Wind, LLC (“Badger Wind”), with authority to bind Badger Wind with respect to the certifications made herein. Badger Wind is a Delaware corporation, with its principal office in Chicago, Illinois, and is authorized to do business in the State of North Dakota. I attest to the content of this affidavit on the basis of my own personal knowledge and belief as to the matters contained herein.
2. Montana-Dakota Utilities Co. (“Montana-Dakota”) is a Delaware limited liability company with its principal office in Bismarck, North Dakota, and is authorized to do business in the State of North Dakota.
3. I am familiar with the North Dakota Public Service Commission’s (“Commission”) Findings of Fact, Conclusions of Law and Order dated September 11, 2024, in Case No. PU-24-87, and with the First Amended Certificate of Site Compatibility No. 64 (“Certificate”) issued in said case to Badger Wind for the construction and

operation of the Badger Wind Project and associated facilities (“Project”) in Logan and McIntosh Counties, North Dakota.

4. On November 4, 2024, Montana-Dakota entered into a 20-year Power Purchase Agreement (“PPA”) with Badger Wind for a 150 megawatt (“MW”) output purchase from the 250 MW Project. Included in the PPA was a purchase option for Montana-Dakota to purchase a 49 percent undivided ownership interest in the Project. Badger Wind and Montana-Dakota entered into a Purchase and Sale Agreement (“PSA”), dated February 13, 2025, in connection with the purchase option. Subject to satisfaction of certain conditions specified in the PSA, including partial transfer of the Certificate, Montana-Dakota’s ownership would become effective at the commercial operation date (“COD”) for the Project, which is expected to occur by the end of 2025.
5. Badger Wind continues to have the financial and technical qualifications to own and operate the Project.
6. Badger Wind understands that it retains the rights and obligations of First Amended Certificate of Site Compatibility No. 64 with respect to its retained 51 percent ownership interest in the Project, and agrees to continue to comply with the terms and conditions set forth therein and in the Commission’s Findings of Fact, Conclusions of Law and Order dated September 11, 2024, in Case No. PU-24-87.

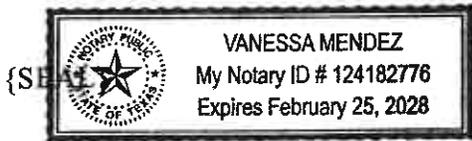

Dated this 28th day of October, 2025.

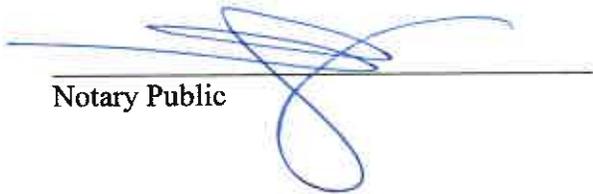

BADGER WIND, LLC

By: 
Trevor Sholly

STATE OF Texas)
) ss.
COUNTY OF Travis)

Subscribed and sworn before me on this 28th day of October, 2025, by Trevor Sholly, known to me to be the Senior Vice President of Asset Cash of Badger Wind, LLC, the Delaware corporation that is described in and that executed the within instrument, and acknowledged to me that such corporation executed the same.
