Dear Geri,

Thank you for the update regarding the address error for Palmer Township.

I have spoken with Township Supervisor Donald Burtman, and Palmer Township has no objection to the project or the public meeting schedule proceeding as planned, despite the delay in receiving proper notice.

Best regards,

Paul Burtman
Clerk, Palmer Township

Note: This was originally sent out on January 7, 2026, to the address that we had received from the company for Palmer County. However, today, we found out that the address we sent it to was for Plumer County. The company inadvertently sent us the wrong address. I apologize for the inconvenience.
