RE: Revision 40, Permit NAFK-9503

Dear Mr. Emmer:

Please find the uploaded clean copy of Revision 40 to Falkirk's Mining Permit NAFK-9503 as requested per email on August 10, 2026. This revision was submitted to your agency on November 17, 2025 and is scheduled for approval on August 26, 2026.

Revision 40 to NAFK-9503 adds mining plans for the NW¼ of Section 12, T144N, R84W. A Federal Coal Lease was awarded to Falkirk in September of 2025 to facilitate mining in this quarter. As a result of this permit revision, Falkirk updated the introductory, legal, surface and coal interest ownership, geology, operations plans, transportation facilities and reclamation plans.

If you have any questions, please call me at 250-2603.

Sincerely,

THE FALKIRK MINING COMPANY

Jason Frye
