Siting Application

Case No. PU-25-305

NOTIFICATION OF APPLICATION

January 23, 2026

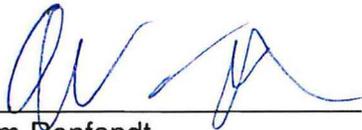

On December 30, 2025, Minnesota Power (MP) filed a combined application with the Public Service Commission for a Certificate of Corridor Compatibility and Route Permit for a 230kV electric transmission line, approximately 2.5-miles long, in Morton and Mercer Counties. A map showing the electric transmission line location is attached. The application may be reviewed online at the following web link:

The Public Service Commission may not schedule a public hearing sooner than forty-five days from the date this notification is sent by mail or electronic mail. The Commission will issue a Notice of Hearing setting the hearing date.

Under North Dakota Century Code section 49-22-16(2)(d), political subdivisions shall provide a listing to the Public Service Commission of all local land use, zoning, or building rules, regulations or ordinances. The list of requirements must be filed at least ten days before the Commission hearing or the requirements are superseded and preempted.
