Department 408
Bismarck, ND 58505-0480

Dear Mr. Emmer:

Revision 31 to Permit NACT-0201 has been mailed via the United States Postal Service and uploaded to Permit Services. This revision incorporates an additional 2,225 acres to the permit and presents updates to multiple sections of the permit. Enclosed is an original signed application form for Revision 31 of Permit NACT-0201 and 3 copies of the Permit and Coteau's Consolidated Bonding Plan. All changes have been tracked in track changes.

Section 1.2.8 Mercer County Conditional Uses Approval Documents has not yet been updated in the permit as it is scheduled for review and approval from the Mercer County Commissioners later this month and will be included in the permit at a later date once the approval letter is received.

Section 2.8 Cultural Resources has not yet been updated in the permit. This information has been completed and is currently under review with the North Dakota State Historic Preservation Office (SHPO). All cultural information will be included in the permit at a later date after SHPO approval.
