Dear Mr. Emmer:

As required by NDAC 69-05.2-09-09(1)(h), the plans pertaining to the water management structures designed for the purpose of filing Revision No. 31 to Permit NACT-0201 have been prepared by, or under the direction of, and certified by a qualified registered professional engineer experienced in the design of water management structures. The plans and drawings for water management structures are contained in Section 3.3, Surface Water Management. A letter of certification, affixed with the stamp and signature of the registered professional engineer, has been provided with the application form submitted for this permit revision.

If you have any questions, please contact this office.

Sincerely,

THE COTEAU PROPERTIES COMPANY
