This form will be docketed in the case file after funds have been deposited by PSC Accounting. ✓ @ 3/24/2026

after the Project concludes the PSC Certificate process. Homestead Wind will secure agreements on these parcels prior to applying for building permits from Williams County.

- **Conditional Use Permit.** Williams County issued a conditional use permit and two associated variances for the Project in January 2026 (**Appendix B – Williams County Conditional Use Permit Approval Letter**).
- **PSC Certificate of Site Compatibility.** Homestead Wind anticipates that the Certificate, if approved, will be issued by the Commission in 4th Quarter of 2026.
- **Other Permits.** Homestead Wind will acquire all other permits necessary for construction of the Project prior to conducting the work for which the permit is required.
- **Construction.** Project construction is anticipated to begin as early as the 3rd Quarter of 2027 and be completed in the 4th Quarter of 2028.
- **Commercial Operations.** Homestead Wind anticipates full commercial operation to occur no later than the end of 2028.

1.2.9 Expansion or Addition

Homestead Wind does not propose any additions or expansions to the Project at this time. Should Homestead Wind develop adjacent areas in the future, all necessary permits and approvals would be obtained.

1.2.10 Project Ownership

The Project will be developed, constructed, owned, and operated by Homestead Wind.

1.2.11 Project Cost

The estimated total cost to construct Homestead Wind is approximately \$750 million.
