Re: PU-26-094 Service to Dakota Spirit AgEnergy, LLC

Dear Mr. Johnson,

Northern Plains Electric Cooperative will not object to Otter Tail Power Company providing three-phase electric service to the existing Dakota Spirit AgEnergy facility as described in PU-26-094. Provided the extension of electrical service and site location is as described in Otter Tail's Application for Certificate of Public Convenience and Necessity dated March 19th, 2026, and is specific to the existing Dakota Spirit AgEnergy facility currently being served by Great River Energy.

Northern Plains Electric Cooperative reserves the right to object to any extension beyond the specific site and service requested.

Sincerely,

Seth Syverson
General Manager
Northern Plains Electric Cooperative
