maintenance coordinator who did not have a locate ticket in for the work taking place. Operator and the maintenance coordinator met with one of the landscapers on site and he gave us the contact information for the foreman of the landscape company. The Maintenance coordinator called the landscaping company, and he stated that he did not need a one call ticket to remove rock and grub bushes. Maintenance coordinator told the landscaping company that he did need a one call ticket and doing this work was a violation of state one call laws. Landscaping Forman stated he was going to move his guys off the pipeline ROW to another part of the project and call in a one call ticket. As of 9:00 on 5/22 the Forman has not called in a one call ticket. Operator drove by the site at 8:00 on 5/22 and they are not working and the pipeline flags are still in place on site.

NOTE: David, per our conversation you will be running a new communication line between the two boxes you had flagged on 42nd st. Magellan pipeline is 1' from those communication boxes. I will need to be on site for all work and we will need to spot the pipelines. please call Justin Benge 651-491-7015 to set that up. pipelines are flagged and painted. No mechanical excavation within 25' of pipelines unless a Magellan representative is on site.

PRIVATE NOTES: pipelines are flagged and painted through the entire mall property. David needs to run a wire from two boxes 1' from the pipeline. He will call me later this week to set that up for next week sometime. he is going to talk to west acers mall to see if he can avoid working around the pipeline.
