Electronic copies of this letter and the above-referenced proposed hearing exhibits were filed with the Commission today via e-mail. Please note that we are sending binders directly to Ms. Hogan, with seven of the binders being delivered to the Commission. Also, please note that Harmony Storage plans to offer the above-referenced proposed hearing exhibits as exhibits at the public hearing on October 23, 2026. Thus, the index and the tabs in the binders will correspond to the numbered exhibits Harmony Storage presents at the public hearing. Since binders are being provided in advance, Harmony Storage does not plan to bring binders for the Commission, Commission counsel, and Commission staff to the hearing.
