RE: Revision 46, to Permit NAFK-8405

Dear Mr. Emmer:

Please see the uploaded file comprising Revision 46, to Falkirk's Mining Permit NAFK-8405, the application form for the revision, and the Transportation Facilities Certification Letter.

Revision 46 to NAFK-8405 adds mining plans in the NW¼ of Section 2 and E½ of Section 3, T146N, R82W. A Federal Coal Lease was awarded to Falkirk in October of 2025 to facilitate mining in these quarters. As a result of this permit revision, Falkirk updated the introductory, legal, compliance, surface and coal interest ownership, cultural and historic resources, geology, operations plans, transportation facilities, post-mining land use and revegetation, and reclamation plans.

If you have any questions, please call me at 250-2603.

Sincerely,

THE FALKIRK MINING COMPANY
