PSC Public Hearing for Proposed Gas Processing Plant to be Held Remotely

BISMARCK, ND – The North Dakota Public Service Commission (PSC) will hold a public hearing on Friday, April 24, regarding a proposal to construct a gas processing plant in Williams County. The hearing originally scheduled to be held in Williston will now be held remotely to keep in compliance with directives from public health officials to not have public gatherings and in accordance with Governor Burgum’s Executive Order 2020-25.

OE2 North, LLC, has submitted an application for a permit to construct a 250 million standard cubic feet per day gas processing plant in Williams County. The plant will convert unprocessed wellhead gas to marketable natural gas and Y-grade natural gas liquids (NGLs) that will be sold to nearby transmission pipelines. The project will comprise of 39 acres on a 143-acre parcel owned by the company. Estimated cost of the plant is \$150 million.

The project will be located approximately 15 miles west of Williston. (Note to the media: A map showing the proposed location of the project has been provided to you for use with any announcements/stories you print.)
