PSC Schedules Public Hearing for Proposed Wind Farm in Williams County

BISMARCK, ND – The North Dakota Public Service Commission (PSC) will hold a public hearing on Sept. 29th regarding a proposal to construct a wind farm in Williams County.

Homestead Wind LLC (a wholly-owned subsidiary of Apex Clean Energy Holdings LLC) is requesting a siting permit for the construction of a wind project with a capacity of up to 256.5 megawatts, which will be known as the Homestead Wind Project. The project would consist of up to 67 wind turbine generators and associated facilities in Williams County and would encompass approximately 25,000 acres. The estimated cost of the wind project is \$750 million

(Note to the media: A map showing the proposed location of the wind project has been provided to you for use with any announcements/stories you print.)

Details for the public hearing are as follows:

- **Tuesday, Sept. 29, 2026 – 9:30 a.m. Central**
Grand Williston Hotel & Conference Center
3601 2nd Ave. West
Williston, ND 58801

The hearing provides an opportunity for members of the public to contribute to the PSC's official record. Any comments from members of the public must be received at the hearing to be part of the record. People with concerns, questions or support/opposition for the project are encouraged to attend the hearing and present their information. Information received after the hearing will not be part of the official record and cannot be used as a basis for the Commission's decision unless certain additional procedures are followed.

The North Dakota Public Service Commission is a constitutionally created state agency with authority to permit, site and regulate certain business activities in the state including electric and gas utilities, telecommunications companies, power plants, electric transmission lines, pipelines, railroads, commercial weighing devices, pipeline safety and coal mine reclamation. For more information, contact the Public Service Commission at (701) 328-2400 or ndpsc@nd.gov.
